Pitchers must have their name listed on the NAFA AAA Pitchers List or lower. **In AAA only, we will test out allowing a team to go from 10 to 9 and back to 10**

Seeding will be based on:

- 1) won-loss if no teams are tied
- 2) if 3 teams are tied then find the #1 seed by using least runs given up, if still tied then runs scored, if still tied then most hits, if still tied coin toss,
- 3) once you determine the #1 seed, then to determine the #2 seed use the head to head winner between the two teams that are left.
